

## EXAMS

For those new to CSSD we run different syllabuses through two associations – the NZAMD and APDA. Exams are highly encouraged as gives the dancers a goal to work for (maintaining motivation throughout the year); Builds self-esteem, confidence and life skills that flow over into everyday life; self-discipline; and provides a record of achievement.

Please note the fees are set by the association and all fees collected go to them to cover examiners travel costs, certificates/ribbons and syllabuses being kept up to date.

If you have any questions please do not hesitate to contact me.
