Seniors will get a dinner break from 6.30pm to 7.30pm. Juniors suggest you eat before coming.

Parents you may stay, in fact it is my preference as I cannot look after them (juniors) whilst on stage teaching. They must remain in theatre at all times. Siblings are allowed but please ensure they stay seated. Thank you

PARENT HELP ON SATURDAY

Everyone to be at the theatre at 12.00pm (seniors) and 12.30pm (juniors) with hair and make-up done. The aim is to do photos before our show starts.

Not much parent help is required as the older students look after themselves but probably one or two parents to volunteer to help with the junior musical theatre students backstage would be great. Just let me know?

Students to be collected after the prize-giving (approximately 3.30pm) and returned at 5.30pm for the evening performance. Senior Students (College age) you are permitted to stay at the theatre if you so wish.

COSTUMES

If you haven't received an email by now then one should be coming shortly confirming what your child needs.

PRIZEGIVING VS FAMILY/FRIENDS SHOW

No tickets are needed for the prizegiving performance – just turn up (one parent per dancer allowed). Please note this is about 2/3's of the show as we are shortening for the younger students watching.

SHOWCASE – EVENING TICKETS

The evening performance will be at 7pm and all tickets are \$20.00. Please let me know how many ticket you require and make payment into the dancing account.

I wish I could do them for cheaper but unfortunately, we have all the expense of a recital with only 45 students compared to 200 students so therefore way smaller ticket sales - thank you for your understanding.

If I have missed anything please don't hesitate to ask?

Thanks, Caroline
